Stay connected for updates and news about our upcoming programming and initiatives:
The World Heritage City Celebration is a major event held each September that features live entertainment, a prominent honoree and guest speaker. Held over dinner, it is a gathering of business, civic and community leaders from the Greater Philadelphia region and around the globe. This celebration marks both Philadelphia's international status and the anniversary of the founding of the Organization of World Heritage Cities.

Together, we can celebrate our common bond here and around the world by marking World Heritage Cities Solidarity Day. All the while, also supporting our World Heritage City project and joining Philadelphia with 300 other World Heritage Cities in a simultaneous celebration.
